

Name: _____

Achievements of Ancient India Project

You are going to create an informative poster that highlights four important achievements made by Ancient Indians. Pretend that your project is designed to be a poster that a classroom teacher would hang up in a classroom. It needs to be a colorful design to attract viewers, but also informative, to educate students.

Your poster needs to include:

- 4 achievements made by Ancient Indians
- An explanation for each achievement identified
 - Who, what, where, when and why?
- 4 pictures to go with each achievements

Your poster needs to:

- Be neat and organized
- Have good grammar
- Have an interesting design
- Be informative
