## Bill To Law Project

Directions: you are going to create a chart that shows how a bill becomes a law. The poster should be colorful and creative, as well as informative.

In your chart you must include the following steps:

- Bill is introduced to the House of Representatives
- Bill is introduced to the Senate
- Bill is sent to House committee
- Bill is sent to Senate committee
- House debates and passes its form of bill
- Senate debates and passes its form of the bill
- House and Senate members meet to and reach a compromise on a single form of the bill
- House and Senate passes the compromised bill
- President signs bill
- Bill is law
- President veto's bill
- Congress overrides the veto with a 2/3<sup>rd</sup> majority
- Bill is law
- Congress fails to override the veto
- Bill fails to become law
