History Day Journal #6

January 8th–January 14th

Week #6 objectives: This week you should concentrate on starting to put together your project. You should start to plan and outline your category. Please keep the category rules in mind and use the category advice sheets I have given you. (All can be found online) You may want to start to put together your process paper and annotated bibliography. There will be no more source checks, but that does not mean you should stop looking for sources. The more sources you find, the better off your project will be!

Upcoming due dates: 1.14 final thesis
1.24 process paper rough draft

History Day Events: 1.11 Roseville Library 11 a.m. – 3.p.m.
1.18 Wilson Library, U of M 1.p.m. – 5 p.m.

* At these events you will get personalized help from librarians, and History Day staff to help you find sources and develop your thesis. You will earn extra credit if you go to one!
