## Achievements of The Roman Empire

You are going to make a mosaic and a plaque about one important achievement made by the Romans. You can pick an achievement from the movie we watched or the textbook section we read. You can pick what ever you want, just make sure you have enough information to write about it!

Your mosaic must:

- Be a picture of a Roman achievement
- Take up an entire page
- Have a border around the page
- No piece of paper should be bigger than a fingerprint!

Your plaque must:

- Be on a separate piece of paper
- Be neat and have good grammar
- Answer the following questions
  - What is the achievement?
  - What purpose did it serve?
  - How did they do it?
  - Why is it important we learn about it?
